INTENTIONALLY LEFT BLANK
1 POLICY
At Joseph Banks Secondary College, all members of our community are committed to ensuring a safe and supportive environment where students, staff and visitors have the right to be respected and have a responsibility to respect each other. Bullying is damaging, anti-social and unacceptable at Joseph Banks Secondary College, where we seek to create a culture that allows all students and staff to flourish free from discrimination, harassment or any form of bullying.

We aim to provide an environment that is physically, emotionally and intellectually safe for all members of our school community.

2 RATIONALE
Bullying is when an individual or group misuses power to target another individual or group to intentionally threaten or harm them on more than one occasion. This may involve verbal, physical, relational and psychological forms of bullying.

### Bystanders

Bystanders are those who are aware of, or witnesses to, bullying but are not directly involved in bullying or being bullied themselves. Sometimes bystanders can assist bullying without being aware of their actions. All members of a school community need to know how to support those who are being bullied and how to discourage bullying behaviours. Any members of a school community can be a bystander and can learn ways to act successfully in preventing or stopping bullying.

5 Whole School Prevention Strategies

At Joseph Banks Secondary College we will:

- promote collaborative relationships between the school, parents and the wider community to develop and implement school based strategies and programs with students;
- develop a whole-school Positive Student Behaviour plan based on the teaching and recognition of respectful and positive social behaviour;
- develop active, trusting relationships within the whole school community;
- provide professional learning for staff and parents in identifying, preventing and addressing bullying;
- promote a school culture that seeks to be proactive and restore relationships affected by persistent or unresolved conflict;
- promote positive staff role modelling; and
- regularly evaluate and review strategies.

6 Targeted Intervention

Joseph Banks Secondary College will identify and respond to bullying behaviours early. Targeted early intervention strategies include:

- raising awareness and implementing programs - to address specific forms of bullying, such as cyber-bullying and racism;
- identifying and targeting early signs of problematic peer relationship issues within the college community;
- identifying individuals and groups at risk that require targeted programs;
- teaching positive bystander behaviour to targeted groups or for specific situations;
- teaching positive social behaviour to identified students and groups;
- providing access to specialist/pastoral care staff and case management processes for students at risk of being targeted, or those who demonstrate bullying behaviour; and
- promoting the inclusion of parents of students at risk in identifying and addressing bullying behaviours that may be occurring within the community.

7 Intervention for Bullying Incidents

Joseph Banks Secondary College procedures for responding to incidents of bullying include:

- staff being provided with support and training to manage bullying situations as they occur;
- processes for reporting incidents or identifying a student who requires support;
- intervention practices that resolve conflicts, restore relationships, and promote tolerance and social problem solving are used for responding to bullying incidents. At Joseph Banks Secondary College we refer to this as Restorative Practice;
- recording and monitoring bullying incidents and interventions using SEQTA, and informing - and keeping parents updated;
- supports for students to promote recovery and resilience; and
- case management of students involved in persistent bullying.

At Joseph Banks Secondary College, we encourage students to do the **RITE** thing:

**R** - Recognise you have the right to feel safe and operate in a bully free environment  
**I** - Inform the bullies you want them to stop  
**T** - Tell a responsible adult  
**E** - Evaluate the situation - if it does not improve, seek further assistance.
